

NATURE WARRIORS OATH

I am a Nature Warrior
I protect all living things
Plants and animals, soil and air
Beaches and fresh springs

Each day I can make a difference
My choices impact the earth
I refuse, reduce, reuse, recycle
I value nature's worth

I love to have adventures
And play outside with my friends
We appreciate nature's beauty
We climb trees and build dens

We are the Nature Warriors
Together we are strong
We are making change in this world
Our commitment is lifelong.
